Re: Case No. 12811, *Application of the New Mexico Oil Conservation Division for an Order Requiring Operators to Bring Three Hundred Eighty-Eight (388) Wells into Compliance with Rule 201.B, and Assessing Appropriate Civil Penalties; Eddy, Chaves and Otero Counties, New Mexico, de novo*

Dear Mr. Wade:

The Commission members have requested that copies of each exhibit that is to be offered during the hearing of this matter be provided to Florene Davidson, Commission Secretary, no later than Tuesday, July 8, 2003.

It would also be helpful if you could provide a more detailed statement of your position in the pre-hearing statement that is customary.

The Commission members believe that review of detailed pre-hearing statements and the documentary evidence to be offered will help them to be better prepared for the issues and testimony. If you have any questions, please do not hesitate to call me at (505) 476-3214.

Sincerely,

Cheryl L. Bada  
Assistant General Counsel
