Re: Case No. 14123 - Application of Judah Oil, LLC for approval of a salt water disposal well, Eddy County, New Mexico.

Dear Mr. Ezeanyim:

The Application of Judah Oil, LLC for approval of a salt water disposal well, Eddy County, New Mexico (Case No. 14123) was heard on the June 26, 2008 docket. On August 8, 2008, Marbob Energy Corporation and Judah requested that you defer any decision on Case No. 14123 until the parties further advised.

Marbob now withdraws its objection to Judah's Application for approval of a salt water disposal well for the Geronimo 27 State Com Well No. 2.

Your attention to this matter is appreciated. Please feel free to contact me should you have any questions or concerns at (505)988-4421.

Sincerely,

Ocean Munds-Dry
Attorney for Marbob Energy Corporation
