**Re: Case No. 14123 - Application of Judah Oil, LLC for approval of a salt water disposal well, Eddy County, New Mexico.**

Dear Mr. Ezeanyim:

The Application of Judah Oil, LLC for approval of a salt water disposal well, Eddy County, New Mexico (Case No. 14123) was heard on the June 26, 2008 docket. At the conclusion of the hearing you requested proposed orders from each party's counsel. However, since the hearing, Marbob Energy Corporation and Judah Oil have been in negotiations to reconcile Marbob's objections.

Therefore, the parties request that the Oil Conservation Division defer any decision on Case No. 14123 until the parties further advise the Division. At your request, Marbob will be happy to provide you with updates from time-to-time on the status of this matter.

Your attention to this matter is appreciated. Please feel free to contact me should you have any questions or concerns at (505)988-4421.

Sincerely,

*Ocean Munds-Dry*
