Re: Bisbee Hills Unit Area  
Luna County, New Mexico

Dear Sir:

Reference is made to the Application for Designation of Proposed Unit Area and Determination of Depth of Test Well for the Bisbee Hills Unit Area, Luna County, New Mexico, dated May 3, 1983.

As requested in the meeting of May 3, 1983, we now submit two (2) copies of the amended geological report and two copies of the revised form of unit agreement for the Bisbee Hills Unit Area. The revised form of unit agreement includes language establishing the District Manager of the Bureau of Land Management as the supervising agency over unit operations in place of the Deputy Minerals Manager for Oil and Gas and the Director of the Bureau of Land Management. Additionally, Section 31, "Department of Energy Stipulations", has been deleted from the unit agreement.

We hope these amendments will satisfy all requirements necessary for designation of the Bisbee Hills Unit as a logical unit area. Please notify us if more modifications are needed.

Very truly yours,

EDMUNDSON, INC.
