location and Non-Standard Proration  
and Spacing Unit, Section 17, T10S,  
R34E. Lea County, Vada State "17"  
#1 Well, Vada - Penn Pool

Dear Mr. Ramey:

Our firm represents The Maurice L. Brown Company. On May 17, 1983 they received a letter from TXO Production Corp., dated May 13, 1983, a copy of which is enclosed.

In accordance with the Special Rules and Regulations for the Vada-Penn Pool, please note The Objection of The Maurice L. Brown Company as to both the proposed unorthodox well location and the non-standard spacing and proration unit.

I understand that this matter has already been set for the Examiner hearing scheduled for June 8, 1983. If that is not correct, we would appreciate being informed.

Very Truly Yours,

  
W. K. Kellahin
