Re: Case No. 14,047 (*de novo*)/ Celero Energy II, L.P.

Dear Mr. Fesmire:

Applicant requests that this case be continued to the October Commission meeting. Applicant has several questions about the Division's order in this case, and is in the process of scheduling a meeting with Division Engineering Bureau personnel to discuss the issues, which may resolve most matters and minimize the time the Commission spends in reviewing this case.

(There is no opponent in this case.) Thank you.

Very truly yours,

James Bruce

Attorney for Celero Energy II, L.P.

p.s. Apparently this matter was set for July 30<sup>th</sup>, but I never received a docket or saw the case on the Division's website. Also, I did not see this case on the August 14<sup>th</sup> docket until this afternoon. I apologize to the Commission for my oversight in not properly filing a pre-hearing statement.
