> Re: Big Hatchet North Unit Hidalgo County, New Mexico

Dear Ms. Mayes,

As per my conversation today with John Simitz, this letter is to formally notify the Bureau of Land Management of Dan A. Hughes Company, L.P.'s intent of finalizing the State of New Mexico/Fee unitization of what has been preliminarily approved as the Big Hatchet North Unit, located in Hidalgo County, New Mexico. I am attaching to this letter an Exhibit "A" which identifies the Unit acreage outlined in Red. The unit will be composed of 52,095.19 acres of State of New Mexico and Fee minerals. There exists and Hughes is in possession of BLM Lease #117584 totaling 1597.94 acres. This acreage located near the Unit boundary and depicted in Green on Exhibit "A", has been excluded from within the boundaries of the unit as the total makes up less than ten (10) percent of the Unit total. Upon the recommendation of our counsel, William F. Carr, we request that the BLM formally acknowledge its wish to be excluded from the Big Hatchet North Unit by signifying below and returning this to my attention. Should you have any questions, or need anything further please do not hesitate to call me.

Sincerely,

Robert Holder Landman
