Re: Case No. 114284/Order No. R-13110  
Branex Resources, Inc.

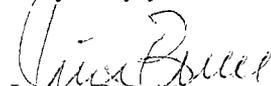

Dear Mr. Ezeanyim:

Branex Resources, Inc. requests a corrected order in this matter. The order is in error in the following respects:

1. Finding Paragraph 2 and Ordering Paragraph 1 state that the unit agreement covers depths from the surface to the base of the Strawn formation. While the Strawn formation is the primary target, the unit agreement covers all depths.
2. Finding Paragraph 3(a) is partially incorrect: While 100% of the lessees will join the unit, there are a few unleased mineral owners in Unit Tract 6, a fee tract covering 40 acres, who have not ratified the unit agreement.
3. Finding Paragraph 3(c) is incorrect: Exhibit B to the unit agreement reflects several overriding royalty owners, some of whom have ratified the unit agreement.
4. In Ordering Paragraph 6, final approval is also required of the BLM.

Thank you for your attention to this matter.

Very truly yours,

  
James Bruce

Attorney for Branex Resources, Inc.
