Re: Oil and Gas Pit Rule Regulations

Dear Ms. Davidson:

Please find enclosed the City of Lovington Resolution 051109-1. This Resolution was passed and adopted unanimously by the Lovington City Commission at its regular meeting of May 11, 2009.

This Resolution supports the oil and gas industry's position on the New Mexico pit rules. The City Commission generally believes that the rules, as presently configured, place our industry at a competitive disadvantage and do not positively affect the environment as was intended.

Please place this into the record for any upcoming pit rule sessions in which your department may have jurisdiction.

Thank you in advance for your attention to this Resolution. If you have any questions or comments, please contact me at your convenience.

Sincerely,

Mike Leighton
City Manager
