Section 30 : S2S2 (Spacing Unit)  
Eddy County, NM.

RSC Resources, L.P. ("RSC") has an acquired leasehold interest in the referenced unit lands and is a registered operator in the State of New Mexico. RSC proposes the drilling and completion of a well at the referenced location.

RSC plans a horizontal well to a total measured depth of 11,200' to test the Wolfcamp formation.

The estimated DHC will be \$ 2,293,000; CC \$ 1,882,500; CWC \$ 4,175,500.

As an alternative to joining in this proposed operation, RSC is willing to discuss a Farm Out of your interest.

Please be advised that RSC must initiate Forced Pooling efforts if you do not join in the proposed operation or agree to an alternative arraignment concerning your leasehold interest.

Gentlemen,

RSC Resources, L.P. ("RSC"), in association with Peregrine Production, LLC, owns a leasehold interest in the referenced lands. RSC is a registered operator in the State of New Mexico. RSC proposes the drilling and completion of a well at the cited location.

RSC plans to drill a horizontal well to a total measured depth of 11,200 feet, to test the Wolfcamp Formation. The estimated DHC will be \$ 2,293,000; CC \$ 1,882,500; CWC \$ 4,175,500.

As an alternative to joining in this proposed operation, RSC is willing to discuss a Farm Out of your interest.

Please be advised that RSC must initiate Compulsory Pooling efforts if you do not join in the proposed operation or agree to an alternative arraignment concerning your leasehold.

Please indicate your election below. Should you have any questions or comments concerning this matter, please contact the undersigned or Kirk E. Smith, Peregrine Production, LLC at (432) 683-5266.

Sincerely,  
**RSC Resources, L.P.**
