We did receive your request for continuance of Case 14295 from the March 31 examiner hearing to April 16. The case will be continued. It will appear on the March 31 docket with a notation that it will be continued to the April 16 docket.

Florene,

Due to scheduling problems, I sent in a notice asking that the case be continued to the next examiner hearing on April 16th. Can you confirm that it will be set on that date so I can provide an amended notice? Thanks.

Mr. DeBrine, I have received your application of Koch Exploration Company, LLC, ConocoPhillips Company, Burlington Resources Oil & Gas Company LP and Energen Resources Corporation for Approval of an Increased Density Pilot Project in the Basin-Fruitland Coal Gas Pool, San Juan County, New Mexico. Because of scheduling conflicts, the April 2 examiner hearing has been rescheduled for Tuesday, March 31. Your application has been set for that

date. If you have already sent notice in this case, you will need to notify the parties of the change in hearing dates by March 11.

I am sorry for any inconvenience this may cause you.

Florene Davidson
