Re: Case No. 13063; Application of Trilogy Operating, Inc. for Compulsory Pooling, Lea County, New Mexico

Dear Mr. Owen:

A review of the Notice Affidavit filed in this case indicates that the letters sent to the located interest owners, while stating that the hearing was set on May 8, 2003, fail to indicate the time and place of the hearing. This information is specifically required by Rule 1207.B [19.15.N.1207B NMAC] and would, of course, be vital to anyone wishing to attend.

We accordingly believe that this case must be re-opened and re-noticed for a subsequent hearing date.

Very truly yours,

David K. Brooks
Assistant General Counsel
Hearing Examiner
