Case 14319

Florene,

It would benefit us, for our preparation, if you would schedule us for the May 14th hearing instead of the April 30th date.

Thank you for your time and if you have any questions or need further information, please do not hesitate to contact me.

Good morning, Vickie! We are advertising today for the April 30 examiner hearing. Do you want your application for a non-standard gas spacing unit and an unorthodox well location for the State 1-29 No. 5 to be set for hearing on that date? The next examiner hearing will be May 14.

Florene
