Re: Designation of Successor Unit Operator  
Langlie Mattix Penrose Sand Unit  
Lea County, New Mexico

Dear Mr. Hargesheimer:

The Bureau of Land Management has notified this office that Legacy Reserves Operating LP has been designated as the successor unit operator of the Langlie Mattix Penrose Sand Unit, Lea County, New Mexico. Our records reflect that Moriah Resources, Inc is still the operator of record for this unit. Since a change of operator has not been approved by this office, Legacy Reserves Operating LP is operating the Langlie Mattix Penrose Sand Unit without authority.

In view of the above, please submit within (30) days, a resignation from Moriah Resources, Inc. and the designation of Legacy Reserves Operating LP as successor unit operator to this office for approval. Legacy Reserves Operating LP must also accept the duties and responsibilities as the successor unit operator in writing.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
