***NMOCC Case No. 14141; Application of Approach Operating, LLC, Rio Arriba County, New Mexico; Order No. R-12976***

Dear Mr. Hall:

In response to your letter of August 5, please be advised as follows:

It was the intention of the Director that the effect of Order No. R-12976 was to suspend the operation of the permits to drill pending the outcome of Oil Conservation Commission Hearings on those permits. As such, it can be correctly assumed that any condition or requirement of the operator is tolled pending that outcome.

Sincerely,

Director, OCD
