Re: Surface and Salt Water Disposal Lease Dated August 1, 2005.

Dear Mr. Roberson:

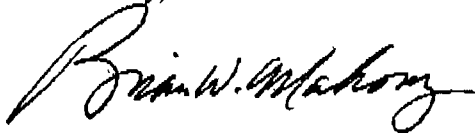

Devonian Partners, LLC ("Devonian") has succeeded Platinum Exploration, Inc. ("Platinum") in their interests related to the Barnhill #1, Post #1, Post #2 and Post #3 wellbores and has succeeded Platinum in its obligations under the *Surface and Salt Water Disposal Lease Dated August 1, 2005* (the "Lease") between Platinum and Lee Roberson and wife Tammy Roberson.

Per the Agreement, enclosed please find our check in the amount of \$7,500.00. I apologize for the slight delay in providing the payment. Rest assured all future payments will be made promptly as noted in the Agreement. Thank you for your understanding.

Matters identified in your e-mail to Turk McDonald dated January 22, 2009 included the unfortunate incident with your cows and remediation of oil leakage on the surface. Enclosed is a check for \$1,500.00 for the cows. Remediation work for the surface is being arranged and will be remedied as soon as equipment is available to work the site.

Contact information is presented in the letterhead. Please feel free to call if you have any questions. We look forward to working with you.

Sincerely,

Brian W. Mahoney,
Managing Director
