**Re: Case No. 14396: Application of OGX Resources, LLC for approval of a salt water disposal well, Lea County, New Mexico.**

Dear Mr. Fesmire:

I hereby request a continuance of the above referenced case to the November 12, 2009 examiner hearing docket. I have a medical problem that requires immediate attention and I will be undergoing a procedure on Wednesday afternoon, October 28, 2009, at the St. Vincent Regional Medical Center. I regret having to request this continuance at this late date but was unaware that this would be required until late last week. I have advised Jim Bruce of this request.

Very truly yours,

William F. Carr
