Rule 19.15.7.24 of the Oil Conservation Division requires that C-115s (Monthly Production Reports) be filed electronically on or before the 15<sup>th</sup> day of the second month following the month of production. As of today, we have not received your electronically submitted C-115 for September, 2008.

You are being notified that the OCD intends to revoke your authorization to transport from or inject into all wells your company operates if an acceptable and complete C-115 is not received electronically within 120 days of the original due date. You may choose to request a hearing on this proposed cancellation within 120 days of the original due date.

Please call Karen Allison at 505/476-3453 to discuss this matter.

Rule 19.15.7.24 follows:

**19.15.7.24 OPERATOR'S MONTHLY REPORT (Form C-115):**

A. An operator shall file a form C-115 for each non-plugged well completion for which the division has approved a form C-104 and for each secondary or other enhanced recovery project or pressure maintenance project injection well or other injection well within the state, setting forth complete information and data indicated on the forms in the order, format and style the director prescribes. The operator shall estimate oil production from wells producing into common storage as accurately as possible on the basis of periodic tests.

B. An operator shall file the reports 19.15.7.24 NMAC requires using the division's web-based online application on or before the 15th day of the second month following the month of production, or if such day falls on a weekend or holiday, the first workday following the 15th. An operator may apply to the division for exemption from the electronic filing requirement based upon a demonstration that such requirement would operate as an economic or other hardship.

C. If an operator fails to file a form C-115 that the division accepts, the division shall, within 60 days of the appropriate filing date, notify the operator by electronic mail or letter of its intent to revoke the operator's authorization to transport or inject if the operator does not file an acceptable and complete form C-115. If the operator does not file an acceptable and complete form C-115 or request a hearing on the proposed cancellation within 120 days of the original due date of the form C-115, the division may cancel the operator's authority to transport from or inject into all wells it operates.
