

MEMORANDUM

To: File

From: David Brooks

Date: January 14, 2003

Re: **Skyline Energy; Case No. 12949**

Mr. Don Jones called on Monday, January 13, 2003.

He said that he had an agreement with Mayo-Marrs to plug the well that is the subject of this proceeding, but that they had told him that due to backlog it would be several months before they would get it done.

He said Billy Prichard would confirm this.
