Ok, we'll plan on 1:00 p.m., unless you need us to come by at 8:15 for any reason. I estimate 2 hours to hear these consolidated cases.

Also, Case 14501 can now be dismissed.

Subject: July 22 OCD Examiner hearing: Cases 14500, 14507, and 14508

Hello Jim, Scott, and Ocean:

As I understand it, these three cases all deal with drilling in the same Section by competing companies and should therefore be combined and presented at the same time during this Thursday's hearing.

Mark Fesmire will be the Legal Examiner and I will be Technical Examiner. Since Mark's presence is necessary and he mentioned some obligatory meeting in a "round" house in the morning, we currently intend to hear this matter as the last item and after he returns, likely after lunch at 1pm.

Please let me know if this is a bad assumption or if your client's plans have changed or if you know of any other parties involved.

And do you have an estimate of presentation time?

Thank You,

William V Jones, P.E.
