re: RSC Resources Limited Partnership ("RSC")
Cases 14512 & 14515

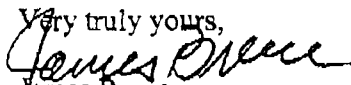

Dear Mr. Fesmire:

Occidental Permian Limited Partnership ("Occidental") has filed pre-hearing statements in these two cases, stating that it will be requesting a two week continuance "to enable it to attempt to negotiate with RSC and to enable it to be prepared for hearing if these negotiations fail." RSC hereby voluntarily agrees to a two week continuance, but feels it necessary to point out the following:

1. RSC has contacted Occidental numerous times, but Occidental has refused to respond to these contacts. If negotiations fail it will not be due to RSC's inaction.
2. Occidental received its applications on July 6th, and the hearings have already been continued once. It has had sufficient time to prepare for hearing.

Please re-set these matters for the August 19, 2010 Examiner hearing. **However, RSC expects Occidental to promptly contact RSC and respond to its proposals.**

Very truly yours,

James Bruce

Attorney for RSC Resources Limited Partnership
