Re: Case Nos. 14418 and 14480: Applications of Cimarex Energy Co. for a Non-Standard Oil Spacing and Proration Unit and Compulsory Pooling, Eddy County, New Mexico.

Dear Mr. Fesmire:

By e-mail dated August 26, 2010, Lynx Petroleum Consultants, Inc. ("Lynx") and Cimarex Energy Co. ("Cimarex") were notified by Mr. Ezeanyim that Case Nos. 14418 and 14480 are going to be consolidated and heard before the Oil Conservation Commission on October 7, 2010. I have an unavoidable scheduling conflict on October 7th and therefore Lynx respectfully requests that these consolidated cases be continued to the Commission's November 4, 2010 docket. Counsel for Cimarex concurs with this request.

Your attention to this matter is appreciated.

Very truly yours,

Ocean Munds-Dry  
Attorney for Lynx Petroleum Consultants, Inc.
