Re: Second Amended Application of Chevron U.S.A., Inc. for approval of a salt water disposal well, Eddy County, New Mexico.

Ladies and Gentlemen:

Enclosed is a copy of the second amended application of Chevron U.S.A., Inc. (Oil Conservation Division Form C-108) for approval of a salt water disposal well. Chevron U.S.A., Inc. seeks approval to utilize its Skelly Unit No. 902, (API No. 30-015-29322) located 1650 feet from the North line and 990 feet from the West line (Unit E) of Section 15, Township 17 South, Range 31 East, NMPM, to inject up to 10,000 barrels of water per day, at a maximum pressure of 1684 psi, into the Wolfcamp and Cisco formations in a lateral open-hole interval from 8418 feet to 10534 feet and the perforated interval from 8552 feet to 9766 feet. This well is located approximately 8 miles northeast of Loco Hills, New Mexico.

This application has been set for hearing before a Division Examiner at 8:15 AM on March 17, 2011. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-Hearing Statement with the Oil Conservation Division's Santa Fe office, four days in advance of a scheduled hearing, but at least on the Thursday preceding the hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr  
Attorney for Chevron U.S.A., Inc.
