**Re: REQUEST FOR CONTINUANCE**  
*NMOCD Case 11048 (DeNovo) Order R-10230*  
*Application of Bass Enterprises Production Co. for*  
*Compulsory Pooling, Eddy County, New Mexico.*

Dear Mr. Stogner:

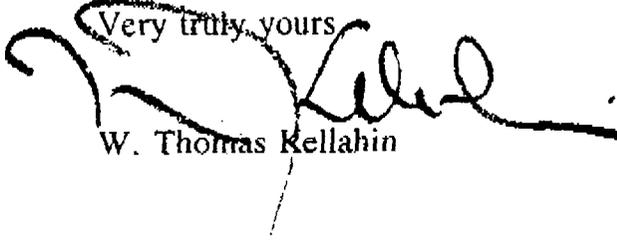

On behalf of Bass Enterprises Production Company, ("Bass") I am requesting that the referenced De Novo Case be continued from the Commission's January 12, 1995 docket to the February, 1995 docket.

The DeNovo case is an appeal to the Commission by Maralo Inc and Santa Fe Energy Operating, L. P. from Examiner Order R-10230 which granted the Bass application for pooling from the top of the Wolfcamp to the base of the Morrow for a well to be located in Unit K of Section 30, T23S, R30E, Eddy County, New Mexico, to be dedicated to a 320-acre spacing unit consisting of the S/2 of that Section.

Bass requests this continuance in order to evaluate the data from the well Maralo has drilled and is now trying to complete in the spacing in the N/2 of this same section.

Concurrence of opposition counsel has been requested but has not yet been received.

Very truly yours

  
W. Thomas Kellahin
