Re: NMOCD Case 11067
Order R-10202
Application of Meridian Oil Inc.
for a CO2 Injection Pilot Project,
San Juan County, New Mexico

Dear David:

Craig McCracken, Meridian's engineering witness in the referenced case, has forwarded to me the enclosed letter dated November 1, 1994 in which he formally requests a modification to the enclosed and referenced order such that Meridian may substitute fiberglass tubing for the plastic lined tubing required in the order.

Please call either Craig or me if you have any questions.

Regards,
