1 EXAMINER CATANACH: At this time, we'll call Case  
2 11152.

3 MR. CARROLL: The joint application of Texaco  
4 Exploration and Production, Inc., and Marathon Oil Company  
5 for a pressure maintenance project, unorthodox injection  
6 well locations, and qualification for the recovered oil tax  
7 credit pursuant to the New Mexico Oil Recovery Act,  
8 Lea County, New Mexico.

9 EXAMINER CATANACH: Are there appearances in this  
10 case?

11 MR. CARR: May it please the Examiner, my name is

13 Berge & Sheridan. We represent Texaco Exploration and  
14 Production, Inc., in this matter.

15 As the Examiner will recall, this case was  
16 presented on December 1, 1994. At the time, although notice  
17 had been given and the applications had been provided to all  
18 affected interest owners, the notice did not provide a  
19 reference as to any particular hearing date.

20 The purpose of the continuance, although those  
21 had been provided, it wasn't timely, was to permit the  
22 notice period to run. That has been done and this case can  
23 now be taken under advisement on the record made at the  
24 time.

25 EXAMINER CATANACH: Are there any additional

1 appearances in this case at this time?

2                   There being none, Case 11152 will be taken under  
3 advisement.
