Re: Application of Texaco Exploration and Production Inc. for certification of a positive production response for the Vacuum Glorieta West Unit Waterflood Project, Lea County, New Mexico

Dear Mr. LeMay:

By letter dated November 23, 1994 we were advised that the above-referenced matter would be set for hearing before a Division Examiner on January 5, 1995.

I have been advised by Texaco that witnesses necessary for this presentation will be unavailable on that date. Texaco, therefore requests that the hearing on this application be scheduled before a Division Examiner on January 19, 1995.

Your attention to this matter is appreciated.

Very truly yours,
