Re: Force Pooling Request  
Section 28: S/2, being 320 acres more or less  
T16S, R37E, NMPM,  
Lea County, New Mexico

11224

Dear Mr. Stogner:

Per our telephone conversations, enclosed is the information requested regarding the force pooling of @60 net mineral acres out of the above captioned for oil and gas development. Minerals are undivided.

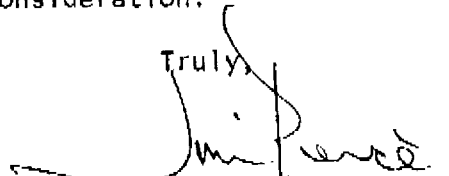

We propose to re-enter the Shell Oil Co. Home Stake #1 well (SW/4SW/4), origl. drilled and abandoned in 1953, to a depth sufficient to test the Stra. formation (12,000'±) and hereby request the eighty (80) acre proration for oil to the W/2SW/4 of subject section. The Paddock formation (6,700'±) will be a secondary objective (40 acre spacing).

Our Operator will be "Southeastern Petroleum, Inc."/A. J. "Sonny" Longo, President, Roswell, New Mexico.

Should you require any additional information or have any questions, please contact me at the address and numbers listed above.

I appreciate your help and consideration.

Truly,

  
Jim Pierce  
Landman

JLP/jp  
encl.

*Per my telephone conversation with Jim Pierce this pooling application is to cover everything from the surface to the base of the Strawn formation.*
