RE: Application for Administrative Approval of Unorthodox
Location on **Johnson "19" Lease, Well #1**
UL. I, 2310' FSL & 990' FEL, Section 19, T9S, R35E
Lea County, New Mexico

Dear Sir:

Maralo, Inc., hereby requests administrative approval for an exception to the Temporary Special Rules and Regulations for the Northeast Jenkins-Devonian Pool, Rule 4. The necessity for such unorthodox location is based upon Maralo's 3-D Seismic geophysical interpretation. A map is attached showing that there are no offset operators. Form C-102 Well Location and Acreage Dedication Plat is also included.

If you have any further questions, please contact Shane Lough, Geologist or Mark Wheeler, District Landman at (915) 684-7441.

Thank you for your prompt assistance.

Sincerely,

A handwritten signature in cursive script that reads "Dorothea Logan".

Dorothea Logan
Regulatory Analyst
