Re: NMOCDC Case No. 11288; Application of Dalen Resources Oil and Gas Co.  
for Salt Water Disposal, Eddy County, New Mexico

Dear Mr. LeMay:

On behalf of Dalen Resources, I will soon be providing you with an application for administrative approval for the salt water disposal well that is the subject of the above case presently set for examiner hearing on June 15, 1995. Chevron USA previously entered an appearance through its local counsel in the above matter. However, as evidenced by a copy of the enclosed letter, Chevron now supports administrative approval of the subject well. Consequently, Dalen Resources requests that the above case be dismissed so that the application may be resubmitted for administrative approval instead.

Should you require additional information concerning this matter, please do not hesitate to contact me.

Very truly yours,

MILLER, STRATVERT, TORGERSON  
& SCHLENKER, P.A.
