

Case No
11317

June 26, 1995

Hearings Officer
New Mexico Department of Energy, Minerals and Natural Resources
Oil Conservation Division

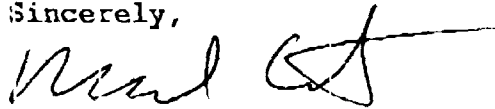

Dear Sir:

This letter concerns the application of Bonneville Fuels Corporation for compulsory pooling and an unorthodox well location in Lea county, New Mexico.

I received a letter sent by Tanya Trujillo, attorney for Bonneville, indicating a hearing would be held June 29th. The letter was late in arriving because it was sent to an incorrect address. My correct address is 61125 Ladera Rd., Bend, Oregon 97702.

Please add me to the list of interested parties. I am in opposition to Bonneville's application. Any correspondence can be either sent to the address above or faxed to (503)385-6085.

Sincerely,

Michael E. Daughtry
