Mike

As per our conversation this morning, I could not find an R or NSL number for the infill well C.E. Lamunyon No. 50 that was drilled by Chevron prior to Arch purchasing the property. I am faxing you the approved 42--R1425 and C-102 for the well along with the C-102's for the 3 - 20 acre wells we are proposing drilling and a map of the area. If you would look this over and let me know how we should proceed I would appreciate it. If you need any additional information please give me a call.
