Re: Application by Strata Production Company for Approval of an Unorthodox Location, Roosevelt County, New Mexico

Gentlemen:

This letter is to advise you that Strata Production Company has filed the enclosed Application with the New Mexico Oil Conservation Division seeking approval of an exception to the well location requirements of Oil Conservation Division Rule 104 to permit the drilling at an unorthodox location of the Alondra No. 1 Well at a location 1213 feet from the South line and 888 feet from the West of Section 17, Township 7 South, Range 34 East, N.M.P.M., Roosevelt County, New Mexico, to a depth sufficient to adequately test the Devonian Formation.

Our records indicate that you are a party entitled to notice pursuant to New Mexico Oil Conservation Division Rules.

The Application has been set for hearing before a division examiner on July 27, 1995. The Application was filed with the New Mexico Oil Conservation Division on July 3, 1995 and notice of the case by publication was properly made. We are enclosed for your information a copy of the Application.

Very truly yours,
Sealy H. Cavin, Jr.
