Re: **Case No. 11,358, the Application of Nearburg
Exploration Company to Terminate Injection Authorization,
Eddy County, New Mexico**

Dear Mr. Stogner:

I spoke this morning with Ernie Carroll, who represents Yates Petroleum Corporation in this case, and he joins in Anadarko's request for a continuance. Ernie was at trial all last week, and has had insufficient time to prepare for this case. In addition, he informs me that Yates needs additional time to obtain all data on its injection well due to the fact that it was previously owned by other operators, and not all of the data is in its files. Your attention to this matter is appreciated.

Very truly yours,

HINKLE, COX, EATON, COFFIELD
