**RE: *Amended Application for Pool Contraction, Pool Creation, and  
the Promulgation of Special Rules and Regulations Therefor:  
Division Case 11493  
Sections 13 and 14, Township 17 South, Range 37 East, NMPM,  
Lea County, New Mexico.***

*Dear Mr. Carr:*

*I am returning the attached amended application for Division Case 11493 along with a plat showing in red the current boundaries of the South Humble City-Strawn Pool, shown in green is Bonneville's proposed pool contraction/pool creation area, as you can see this would sever the existing South Humble City-Strawn Pool. As an alternative Bonneville might want to consider amending to the Special Rules and Regulations for the South Humble City-Strawn Pool to include a special limiting GOR.*

*Should you have any questions or comments concerning this matter, please contact me at (505) 827-8185.*

*Sincerely,*
