Re: Case No. 11,718
Skelly Unit Waterflood Expansion
The Wiser Oil Company (Unit Operator)

Dear Mr. Catanach:

I have been informed by Eric D. Dixon, representing Herschel Caviness, that he will dismiss his request for a hearing in the above case. Therefore, Wiser requests that the Division issue an administrative waterflood expansion order.

Very truly yours,

James Bruce

Dear Mr. Catanach:

I have previously filed an objection on behalf
of Herschel Caviness. However, after consulting with my client we
are withdrawing our objection. Therefore, a hearing will not be
necessary on February 20, 1997.

Very truly yours,

The Wiser Oil Company
Skelly Unit Waterflood Expansion

Dear Mr. Dixon:

The above case is scheduled for hearing on February 6th. I spoke with the OCD and informed them that, due to the letter I wrote to the OCD (copied to you), I thought it best to argue only the legal issues this Thursday. If, after oral argument, the OCD decides to hear the case, the hearing will be rescheduled for another date and Wiser will bring a technical witness to that hearing. If you disagree, please let the OCD and me know. Thank you.

Very truly yours,

James Bruce
