Re: Certified Mail Letter P 551 044 646

Dear Mr. Hartman:

Reference is made to the captioned matter.

With regard to 1st Notice of Attempt to Deliver Certified Letter P 551 044 646 dated February 3, 1997, please be advised that with the volume of certified mail handled from the U. S. Post Office Downtown Station, 100 E. Wall, Midland, Texas, it is not uncommon or unusual for certified letters to be accidentally misboxed or lost. The only record of "1st notice of attempt to deliver dated February 3, 1997" is the date notation (handwritten) appearing on the face of the mailing envelope for certified letter P551 044 646.

The normal time elapsing between postal 1st notice and postal second notice is fifteen (15) days. I will furnish a copy of the postal regulations in this regard as soon as possible. As requested, I have enclosed a xerox copy of 2nd notice of attempt to deliver dated February 15, 1997 retrieved by your office on Tuesday, February 18, 1997.

If I may be of further assistance to you in this regard, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in cursive script that reads "Rudy Garcia".
