1           WHEREUPON, the following proceedings were had at  
2   2:50 p.m.:

3           EXAMINER STOGNER: At this time I'll consolidate  
4   and call both Cases 11,759 and 11,760.

5           These are both in the matter called by the Oil  
6   Conservation Division upon its own motion for an order  
7   creating and extending certain pools in, one, Rio Arriba  
8   and San Juan Counties, New Mexico, and in the other one,  
9   Chavez and Eddy Counties, New Mexico. That's Districts 2  
10   and 3 respectively.

11           Please note in Case Number 11,760, paragraph (a),  
12   creation of the proposed Huerfano-Fruitland Sand Pool in  
13   Township 27 North, Range 9 West, on the docket it excluded  
14   the quarter section, and that should read in Section 29,  
15   the southeast quarter.

16           And then on down to paragraph (d), as in "dog",  
17   the La Jara-Pictured Cliffs Pool, Township 30 North, Range  
18   7 West.

19           In addition to the southwest quarter of Section  
20   26, it should also read, the south half of Section 27, the  
21   north half and the southeast quarter of Section 34 and the  
22   west half of Section 35.

23           These were both advertised in the absence of  
24   objection, that both of these matters shall be taken under  
25   advisement.

1           If there's nothing further in this matter, then  
2 today's docket -- both cases will be taken under  
3 advisement, and this adjourns the docket.

4           (Thereupon, these proceedings were concluded at  
5 2:51 p.m.)
