Case 6987

Re: Application of Getty Oil Company for Statutory  
Unitization of the Myers Langlie-Mattix Unit,  
Lea County, New Mexico

Dear Mr. Ramey:

Enclosed in triplicate is the application of Getty Oil Company for statutory unitization of the Myers Langlie-Mattix Unit. As you will note, this application seeks an Order unitizing certain small royalty interests thereby enabling Getty to enter lease line agreements and implement operating practices which will extend the life of this unit. Getty Oil Company requests that this case initially be set before the full Oil Conservation Commission and would request that it be included on the docket for the Commission hearing which we understand has tentatively been set for August 5, 1980.

Your attention to this request is appreciated.

Very truly yours,

William F. Carr
