OIL CONSERVATION DIV.

Dear Ms. Wrotenbery:

In December, 1997, behalf of Stevens & Tull, Inc., a party of record adversely affected herein, we filed a request for a Hearing DeNovo before the New Mexico Oil Conservation Commission of the referenced Division case and resulting order.

Since then Falcon Creek Resources, Inc. has acquired ownership and operations of this salt water disposal well. This matter is currently set for hearing on July 16, 1998. Falcon has advised me that they do not desire to pursue a DeNovo hearing of this case. Accordingly, we would appreciate you dismissing this matter.

Very truly yours,

W. Thomas Kellahin
