Re: Order No. R-10879 (Case 11812; Application of the Oil Conservation Division for an order requiring Polaris Production Corp. to plug 19 wells in Lea County, New Mexico)

Dear Mr. LeMay:

My client informed me that there are some minor mistakes in the order: On page 5, ¶(2), the Pope Battery is in the W $\frac{1}{2}$ of Section 36; on page 5, ¶(3), the well Polaris testified about restoring to production was the Priest Well No. 4 (API No. 30-025-09865), located 660' FNL and 990' FWL of §1-15S-37E. We would ask that a *nunc pro tunc* order be issued as to these matters. Polaris does not plan on appealing the order.

Very truly yours,
