STATEMENT OF THE CASE

APPLICANT

Applicant seeks an order pooling all formations spaced on 40, 160, and 320 acres, from the surface to the base of the Morrow formation, underlying the S $\frac{1}{4}$ of S22-22S-26E. There are several interest owners who have not agreed to voluntarily join in applicant's proposed well, which will be at an orthodox location in the SW $\frac{1}{4}$ of S22.

Applicant also requested an unorthodox gas well location. However, the location has been approved by Administrative Order NSL-3869.
