Dear Sir:

Fasken Oil and Ranch, Ltd. respectfully requests your approval for an unorthodox location and non-standard 320 acre unit exception for the Indian Hills Unit No.15 at the above stated location. This well is located in the Seven Rivers Hills (see attached Topographic map, Martha Creek Quadrangle). The location is situated off the side of a steeply dipping topographically high feature. The well is located as close as possible to the 660' field rules for spacing while providing a suitable drilling location.

Fasken has advised all offsetting operators of this application and has requested waivers regarding these exceptions.

Yours very truly,

FASKEN OIL AND RANCH, LTD.
