1 WHEREUPON, the following proceedings were had at
2 10:33 a.m.:

3 EXAMINER CATANACH: At this time I'm going to
4 call Case 11,961, which is in the matter of the hearing
5 called by the Oil Conservation Division for an order
6 creating, contracting and extending certain pools in Lea
7 County, New Mexico.

8 This case is styled such that in the absence of
9 objection, it will be taken under advisement.

10 I will call for appearances in this case at this
11 time.

12 There being no appearances, I will make one note
13 for the record, that we've been informed that paragraph (f)
14 should, in fact, say "gas pool", as opposed to "oil pool"
15 for Atoka production, and that the actual name of this
16 pool, in fact, should be the North Shoe Bar-Atoka Gas Pool.
17 And it's my understanding we can make those corrections at
18 this time.

19 And that's all there is in this case. There
20 being no further appearances, I will take Case 11,961 under
21 advisement at this time.

22 And I will adjourn this hearing.

23 (Thereupon, these proceedings were concluded at

24 10:35 a.m.)

I do hereby certify that the foregoing is
a complete record of the proceedings in
the Examiner hearing of Case No. 11961,
* * heard by me on April 2 1988.
