Re: Order No. R-11027

Dear Mr. Catanach:

After writing my February 3 letter to you, it was discovered that the proposed March 4 hearing date presents a conflict. Could this be rescheduled to the March 18 hearing?

Re: Order No. R-11027

Dear David:

Supplementing our telephone discussion yesterday afternoon, it is my understanding that Perry Hughes' December 14 letter will be accepted as Shahara Oil's Supplemental Application in the captioned case, and that the same will come on to be heard at the March 4 Examiner hearing. A copy of that letter has been mailed to all offset operators, with the advice of that March 4 hearing date.

Your good help in moving this forward has been sincerely appreciated.

With regards, I am

Very truly yours,

Paul A. Cooter
