1           WHEREUPON, the following proceedings were had at  
2   9:00 a.m.:

3           CHAIRMAN WROTENBERY: Call this meeting of the  
4   Oil Conservation Commission to order.

5           Looking around the room, I see a lot of people  
6   that we all know, so I think I might forego the  
7   introductions, except I might mention that Cheryl Bada is  
8   here today to represent the Commission.

9           We're going to have a new attorney coming on  
10   board beginning April 10th; his name is Steven Ross. He's  
11   currently the Deputy County Attorney in San Juan County,  
12   but he's going to be making a move here to Santa Fe and  
13   will be joining the staff of the Energy, Minerals and  
14   Natural Resources Department, and he will in the future be  
15   representing the Oil Conservation Commission at these  
16   meetings.

17           But we thank Cheryl Bada for sitting in in the  
18   interim period here today.

19           All three Commissioners are present, so we can  
20   get started here.

21           The first item, as usual, is the minutes of the  
22   last meeting of the Oil Conservation Commission. It was  
23   held on February 25th, 2000.

24           Commissioners, I believe you've had a chance to  
25   review the draft minutes?

1           COMMISSIONER BAILEY: Yes, I have, and I move  
2 that we accept the minutes.

3           COMMISSIONER LEE: I second.

4           CHAIRMAN WROTENBERY: All in favor say "aye".

5           COMMISSIONER BAILEY: Aye.

6           COMMISSIONER LEE: Aye.

7           CHAIRMAN WROTENBERY: Aye. I'll sign those on  
8 behalf of the Commission.

10

11           CHAIRMAN WROTENBERY: Then we had a couple of  
12 cases on the docket that will be continued to the next  
13 Commission meeting.

14           Case 12,299, this was the Application of Redwolf  
15 Production, Inc., for compulsory pooling in San Juan  
16 County, New Mexico. This case will be continued to April  
17 28th, 2000, at the request of the *de novo* Applicant.

18           And Case 12,008, the Application of Robert E.  
19 Landreth for a determination of reasonable well costs in  
20 Lea County, New Mexico. Again, this case will be continued  
21 to April 28th, 2000, at the request of the *de novo*  
22 Applicant.

23           (Thereupon, these proceedings were concluded at  
24 9:03 a.m.)
