Re: Oil Conservation Division Cases 12015 and 12017: Applications of Gruy Petroleum Management for an unorthodox well location and simultaneous dedication, Lea County, New Mexico

Dear Mr. Condon:

On this date, Gruy Petroleum Management is requesting that the Oil Conservation Division continue the above referenced cases to the September 3, 1998 examiner hearing. This letter confirms our conversation of July 31, 1998, in which I advised that Gruy Petroleum Management has suspended its plans to drill the Rhodes Federal Unit Well No. 159 in Section 15, and the Rhodes Federal Unit Well No. 103 in Section 10, Township 26 South, Range 37 East, NMPM, Lea County, New Mexico pending the results of the above referenced Oil Conservation Division examiner hearing.

Very truly yours,

WILLIAM F. CARR
Attorney for Gruy Petroleum Management
