Re: Case No. 12039

Dear Rand:

Enclosed is an entry of appearance on behalf of Willow Pipeline Company. I have spoken with my client, and he would like to meet with you and the Division Director on this matter. As a result, Willow requests a continuance of this case for 4 weeks. I know that, due to Labor Day and the Commission meeting in Artesia, next week is not a good time to meet, so I suggest the week of September 14th or 21st. Please let me know dates on which you are available.

In addition, my client is currently unable to sell oil produced from its leases, and would like to do so. In the interim, is it possible to sell oil? Please call.

Very truly yours,

James Bruce

Attorney for Willow Pipeline Company
