1           WHEREUPON, the following proceedings were had at  
2   9:15 a.m.:

3           CHAIRMAN WROTENBERY: And then, let's see, we  
4   have next Case 12,124. This is the Oil Conservation  
5   Division-called hearing to consider proposed April, 1999,  
6   to September, 1999, gas allowables for the prorated gas  
7   pools in New Mexico. Allowable assignment factors were  
8   distributed with an OCD Memorandum dated January 22, 1999.  
9   This went out with the docket of this hearing, I believe.

10           Mr. Carroll, did we receive any response to that  
11   mailing?

12           MR. CARROLL: No proposed changes have been  
13   received by the Division.

14           CHAIRMAN WROTENBERY: Okay. Our practice in the  
15   past has been, if we don't receive any requests for  
16   changes, we adopt the factor that we circulate by  
17   memorandum. So we do have an order, draft order, of the  
18   Commission adopting the factors that were circulated with  
19   the January memorandum.

20           Commissioners, have you had a chance to review  
21   this order?

22           COMMISSIONER BAILEY: No.

23           CHAIRMAN WROTENBERY: No? Would you like to take  
24   a minute and look at it?

25           (Off the record)

1 COMMISSIONER BAILEY: I intend to sign this  
2 order.

3 CHAIRMAN WROTENBERY: These are the same factors  
4 that applied during the period October, 1998, to March,  
5 1999.

6 COMMISSIONER LEMAY: Madame Chair, I too intend  
7 to sign the order as presented.

8 CHAIRMAN WROTENBERY: Okay. Do I have a motion,  
9 then, that the Commission adopt the order?

10 COMMISSIONER LEMAY: I move we adopt the order as  
11 presented to us this morning.

12 COMMISSIONER BAILEY: I second.

13 CHAIRMAN WROTENBERY: All in favor say "aye".

14 COMMISSIONER LEMAY: Aye.

15 COMMISSIONER BAILEY: Aye.

16 CHAIRMAN WROTENBERY: Aye.

17 (Thereupon, these proceedings were concluded at  
18 9:17 a.m.)
