Re: Case 12179 (East Hobbs-San Andres Pool)

Dear Mr. Stogner:

I represent Lynx Energy Company, Inc. ("Lynx"), an operator in the above pool. Lynx supports making the temporary special pool rules permanent. It is Lynx's understanding that Enerquest Resources, LLC is currently obtaining additional well data which will be useful at the pool rules hearing. Lynx is also in the process of obtaining similar additional data. Thus, Lynx requests that the hearing on the above matter be continued to the November 15, 2001 Examiner hearing.

Very truly yours,

James Bruce

Attorney for Lynx Energy Company, Inc.
